Zukunft bewahren.

Dear Sir/Madam, dear Friends,

Johannes Gutenberg has permanently influenced the development of humankind like no other. He was a visionary, skilled engineer, businessman and perfectionist. Every book, every printed text, every digital message ultimately stems from his ideas. As the brilliant inventor of printing with moveable type he triggered a media revolution which continues today.

Johannes Gutenberg needs your support

The Gutenberg Museum and Gutenberg Foundation aim to preserve Gutenberg's legacy and take it forward into the future. In Mainz, where Johannes Gutenberg was born, stands the Gutenberg Museum, one of the world's oldest and most important museums devoted to the history of books, printing and writing. However, over 100 years since its founding by the citizens of Gutenberg's native Mainz the building exterior and interior must now be completely modernised to make the museum a place which is representative of Gutenberg's international standing.

We need your support for this project! Your donation is important yet your interest, commitment and network are just as vital. Support our work with a regular donation. Become a Friend of Gutenberg!

Best regards,

Prof. Dr. Dr. Andreas Barner
Chairman of the Gutenberg Foundation
